

UNICITY CONDITIONER

Hair conditioners are important in keeping hair moisturised and looking healthy. Without it, your hair may lack the necessary nourishment it needs to feel soft, smooth and strong.

Unicity Conditioner features a unique combination of hydrolyzed wheat protein, lanolin, and argan oil to carefully repair and restore visible signs of hair damage, leaving your hair stronger and healthier.

BENEFITS

Deeply moisturises hair, leaving it feeling soft, smooth and manageable.

Contains argan oil, which softens hair and increases hair elasticity.

Tea tree and oat kernel extracts soothe, moisturise, and helps rejuvenate dull, lifeless hair.

SUGGESTED USE

Apply Unicity Conditioner to wet hair after shampooing, from mid-length to hair ends.

Ensure that damaged areas are covered, before rinsing thoroughly.

For best results, shampoo with Unicity Shampoo before application.
