

UNICITY SHAMPOO

The key to healthy hair stems from a clean and healthy scalp. As we subject our hair to impurities in the environment and the hustle of daily life, proper cleansing is essential in maintaining a head of healthy locks.

Unicity Shampoo combines both hair and scalp care in one formula, leaving you feeling clean and refreshed. Made with a synergistic blend of extracts such as bergamot, eucalyptus and tea tree oil, Unicity

Shampoo gently cleanses while restoring hair health from root to tip.

BENEFITS

Provides all-rounded care for both hair and scalp.

Antimicrobial properties of tea tree and oat kernel extracts soothe, moisturise, and protects scalp.

Contains keratin, which help nourish and condition for soft and smooth hair.

SUGGESTED USE

Rinse hair and scalp with warm water. Place an appropriate amount of shampoo on hair and massage onto the scalp with fingertips.

Rinse thoroughly.

For best results, follow with Unicity Conditioner after shampooing.

INGREDIENTS

Water, Cocamidopropyl Betaine, Glycerin, Potassium Cocoyl Glycinate, Cocamide Dea, Coco-Glucoside, Sodium Cocoyl Alaninate, Sodium Chloride, Fragrance, PEG-60 Hydrogenated Castor Oil, Polysorbate 20, Hydroxyethyl Urea, PEG-120 Methyl Glucose Dioleate, Polyquaternium-10, Citric Acid, Menthol, Polyquaternium-7, Butylene Glycol, Disodium Edta, Hydrolyzed Wheat Protein, Sodium PCA, Sodium Lactate, Argania Spinosa Kernel Oil, Citrus Aurantiumbergamia (Bergamot) Fruit Oil, Citrus Limon (Lemon) Peel Oil, Eucalyptus Globulus Leaf Oil, Melaleuca Alternifolia (Tea Tree) Leaf Oil, Sodium Benzoate, Arginine, Magnesium Nitrate, 1,2-Hexanediol, Aspartic Acid, Hydrolyzed Collagen, PCA, Gelatin, Hydrolyzed Keratin, Avena Sativa (Oat) Kernel Extract, Glycine, Alanine, Serine, Caulerpa Lentillifera Extract, Codium Fragile Extract, Laminaria Japonica Extract, Valine, Hydrolyzed Corn Protein, Hydrolyzed Soy Protein, Isoleucine, Proline, Threonine, Methylchloroisothiazolinone, Magnesium Chloride, Ethyl Hexanediol, Phenoxyethanol, Histidine, Phenylalanine, Methylisothiazolinone.
